How to find data of the presentation of a paper at  
**FORUM ACUSTICUM SEVILLA 2002**

**Easiest way:**

**Go to TECHNICAL PROGRAMME and use SEARCH; you will find there the data of a presentation: Thematic area, structured session, code of the paper, title, author(s) name(s), day, time of the presentation and room.**

## SUBJECT CLASSIFICATION CRITERIA

The **Invited Papers –IP-** and **Contributed Papers** are distributed in **12 Thematic Areas** and **16 Structured Fields**, which are included in the different Thematic Areas (see next section).

The **Structured Fields** comprise **56 Structured Sessions –SS-** on specific topics, and within each SS are included, at the beginning, the **Invited Papers –IP-**, followed by the **Contributed Papers**.

The **Joint EAA TC-RBA & CIB Meeting** is included at the end of the SS-Field: RBA- Room and Building Acoustics, as an independent SS.

The Contributed Papers not classified in the specific topics of the SS have been included in each of the **Thematic Areas** in the **10 General Sessions**

### Identification Paper Codes:

- **Structured Fields**, three capital letters with the initials of the title of the field
- **Structured Sessions –SS-**, with the three letter code of the Field in which they are included, followed by two digits that indicate the order in the SS, inside the Field
- **PAPERS**, the reference of each paper is composed by the code (three letters and two numbers) of the Structured Sessions, followed by three digits that indicate the order of presentation of the paper in the Structured Session
- **Invited Papers –IP-**, the invited papers included in the different Structured Sessions, have the initials **IP** after the paper code
- **Example: RBA-01-005-IP** This paper is included:  
In the SS, **RBA- Room and Building Acoustics**  
First Session in this Field: **01- Acoustics of Opera House**  
**005-IP:** Invited paper that will be in the 5<sup>th</sup> place in the SS-RAB-01

The **Technical Sessions** will be held in parallel, morning and afternoon, from Tuesday 17th September until Thursday 19th September, and in the morning of Friday 20th.

*Sessions Chairs will be instructed to follow the printed time schedule strictly, both to be fair to all participants and to permit attendees to move from one session to another to attend a specific paper. If an author is not present to deliver the oral paper presentation, the Session Chair will be asked either to call for additional discussion of papers already given and to the specific topic of the SS, or to declare a short recess, so that subsequent papers are not given ahead of the scheduled times*
